

Of course BBBS is dependent on their “Big” volunteers. “Bigs” often use their personal vehicle when spending time with their “Little”...

Did you know... when the "Big" has an at-fault accident and the claim exceeds their personal insurance limits? The BBBS affiliate is legally liable. **Yes, our policy covers that!**

Did you know... if the "Big's" car is damaged and they have a \$1,000 deductible on their collision coverage.. **Yes, our policy picks up that \$1,000 cost!**

Did you know... While the "Big's" car is being repaired, a rent car is necessary. **Yes, our policy covers that, too - up to \$30/day for 30 days.**

Yes... we care about BBBS and provide the coverages you have counted on! We try to eliminate the out of pocket expenses incurred when serving the BBBS.
